Continuing, Baldwin deposed that Snow cautioned him not to tell anybody what the ore assayed, as he wanted to get more stock, and that he also said that if Baldwin would say aothing favorable to the mine, he isnow) would make it an object to him. At a later date, it was also said. Snew visited Baldwin at Silver City, and told him if he would run the mine down and say that it was not good property, he would let him have 20,000 shares of the stock which he got from Morrison, at 2 cents per share. Baldwin testeded further that in June, 1901, the stock was worth 3½ cents per share and could have been sold for 6 cents later.

Utah Sugar company's stock has recovered slightly from the decline of last week, 100 shares selling yesterday for \$16.75.

Yesterday's bank clearings amounted to \$493,837, which is an inc. ease of \$33,-985 over the corresponding day of last year.

The Mutual Investment company filed articles of incorporation in the office of the county clerk yesterday. The company is capitalized for \$15,000, divided into shares of the par value of \$100 each. The officers are William T. Edward, vice president; William T. Edward, vice president; William T. Edward, vice president and secretary; George E. Romney, treasurer. The company will carry on a real estate, joan and investment business, with headquarters in this city.

Snow Wanted Morrison's Stock.

In October, Red, it was said, Snow went to the Martha Washington min-and asked Baldwin to remain neutral as between himself and Morrison, sayas between himself and Morrison, saying that if Baldwin did so, he could
beat the suit, but admitting that he
had talked to Morrison about an assessment. Baldwin said that he also
arked Snow why he did not send the
assays to Morrison, and Snow replied
that it was not necessary for Morrison
to know, as he wanted to buy Morrison's streek

The committee composed of W. A. Nelden, S. V. Shelp and Fisher Harris, appointed to investigate the advisability of completing the boulevard in City Creek canyon, reported favorably, and the report was referred to the committee on public improvements and parks. The committee spent the afternoon driving over the boulevard, and Mr. Harris, in reporting, made a strong plea for the completion of the work.

It was decided to invite the national convention of the Travelers' Protective association, who hold forth in Portland next June, to meet in this city the following year. It was further decided to make every effort to secure the convention for this city.

The club received an invitation to meet with the owners of oil lands in Price May 8 next, and A. J. Davis and W. H. Clark were delegated to represent the club at the meeting. A letter was read from the secretary of the Commercial club of Minneapolis, stating that large delegations of citizens from that place and St. Paul would be here in August, during the Elks' convention.

Mammoth, April 29.-The school trus-Mammoth, April 29.—The school trustees of Mammoth precinct have to contend with an empty treasury, and unless they succeed in effecting a loan, may have to currait the school term. The cause of the shortage of funds is due to the failure of the Mammoth Mining company to pay last year's taxes. The property of the coupany was sold, and bid in by the county, and until President Mc-Intyre is pleased to redeem it, the trustees must wait for their portion, which amounts to several hundred dollars. Considerable of this mouey is due the Tintic Lumber company for material furnished for the annex of the school building, which was put up last summer.
